

20 YEAR LIMITED WARRANTY

Standard Provisions

- 1). EasyRock Products Inc. (the Manufacturer) warrants products marketed by its Distributors. The provisions of the Manufacturer are listed below.
- 2). The Manufacturer hereby warrants to the original Purchaser, its polyurethane decorative building products for a period of twenty years from the date of purchase against manufacturers' MSDS non-conformance and degradation and it will not peel, rot, blister, rust, flake, chip, crack, corrode or be consumed by termites solely as a result of defects in material or manufacturing. The foregoing Express Warranty is subject to the standard provisions listed below. For the purpose of this warranty MSDS means the characteristics of the products that are available at the following website; <http://www.easyrockproducts.com> This warranty will be applicable to the sales made to customers within Canada.
- 3). The products may experience some chalking and fading of the surface iron oxide coloring. This chalking and fading is common and does not affect the performance of the product as state herein this warranty. For protection against excess fading on exterior applications and to maintain the warranty, the products **MUST BE** coated with EasyRock Products Inc., U.V. Guard Sealer, as specified by the Manufacturer, and according to installation instructions. This warranty does not apply to color defects that are not noticeable at a distance of five meters or to hairline cracking, or to the products' reverse side finish. The products, like other siding materials, will experience some degree of fading with long term exposure to UV and atmospheric conditions.
- 4). This warranty does not apply to or cover defects or damage caused by or associated with a) defects in or failure of any part of the foundation or wall movement of the building, b) building settlement, c) earthquakes, tornadoes, hurricanes, or other acts of God, explosions, fires, riots or civil commotions or acts of war, d) falling objects, scraping, or damage to any part of the warranted products caused by physical blows, e) the hanging or suspension of weight, f) contact with or exposure to chemicals or foreign substances of a corrosive nature, g) contact with or exposure to water contaminated with lead, iron or other metallic substances, h) contact with metal or other fasteners not related to installation procedures, i) staining, j) any cutting, scoring or sanding of the products not related to installation procedures, k) improper installation or any installation of the products which does not follow product installation specifications, l) use of any installation materials other than those specified in the product installation specifications, m) use of products on structures which do not conform to local building codes, n) defects such as air pockets and blemishes not found on the finished textured surface of the product, and that are not visible or exposed to weather upon installation, o) damage caused by or during shipping and handling of the products. p) Animals or birds of any type.
- 5). This warranty does not apply to installation materials or any other associated materials that are not manufactured by the Manufacturer. The products are closed cell content and do not absorb moisture or allow air to flow through. If the products are applied over substrate and the products joints and edges are sealed, it may cause moisture to accumulate behind the products and onto the substrate. It is the responsibility of the installer to allow for proper moisture drainage behind the products. The Manufacturer accepts no responsibility for any damage to substrates, or other materials, caused by moisture.
- 6). In no event shall the Manufacturer's liability under this warranty exceed the replacement value of the defective products, nor shall the Manufacturer be responsible or liable for the cost of labor to remove and replace defective products, or for any special, indirect or consequential damages for loss to the building, its contents or material.
- 7). In the event of any defects in the product covered by this warranty, Purchaser must notify the Manufacturer immediately after the discovery of such defects, or the Purchaser shall be barred from any remedy for the breach of this warranty. Purchaser shall present to the Manufacturer such evidence that establishes any claimed nonconformance or defect that was due to a breach of this warranty, and the Manufacturer shall have a reasonable period of time to verify said nonconformity or defect. The Manufacturer's liability for breach of this warranty shall be limited to repairing, re-coloring, or replacing the nonconforming products utilizing such materials, methods, or workmanship as should result in providing the prorated performance remaining under this warranty. The Manufacturer shall have the sole discretion to determine which of the above methods will be used to fulfill its obligation.
- 8). This warranty may be modified from time to time to accommodate technology changes and improvements and/or regulatory requirements that may appear in the future.
- 9). The Manufacturer makes no warranties, either express or implied, beyond the face hereof. In no event shall the Manufacturer be liable for loss of profits, or any other incidental, consequential or special damages. This warranty shall be construed and interpreted in accordance with laws and customs of the Country of Canada.
- 10). The Manufacturer expressly disclaims all warranties of merchantability, fitness for a particular purpose and infringement.
- 11). The warranty applies from the date of purchase. Original sale receipt must be produced in order to make any claims under this warranty.
- 12). All notice given to the Manufacturer pursuant to this warranty shall be in writing and sent by certified mail, postage prepaid, return receipt requested, as follows:
